

Atelier Solaire Canadien 2016/Canadian Solar Workshop 2016

Station de Biologie des Laurentides, 28–18 October 2016

Driving instructions translated in english for map:

http://www.sbl.umontreal.ca/docs/itinaire_station_biologie.pdf

- Head North on HWY 15, “Autoroute des Laurentides”
- Take exit 45, heading Rt 117, Prévost, Montée Ste-Thérèse, Lafontaine, St-Hippolyte
- Drive 1km to exit for Saint-Hippolyte
- Hang right at first traffic light
- Sharp turn left at second traffic light on Rt 333 Nord, drive 15 to Village Saint-Hippolyte (NOTE: comes quickly after previous right turn, eyes out!)
- Once in village, turn left after church, and drive 3.5km on Chemin des Hauteurs (NOTE: last chance for fuel, groceries, beer, wine, etc.; all near church corner intersection)
- At second stop sign, hang right at the Y-intersection, drive 3km on Chemin du Lac Pin-Rouge
- At the T-intersection (with stop sign) turn left on Chemin du Lac Croche.
- The SBL is at the end of the road, about 2.5km drive.

If you are lost, dial the station at 450 563-3111 or my cell (Paul) at 514-703-8942.
